* This note was reported last year as \$486 00 should have been \$624. 00. The amount reported due from Merrimack Co., last year on acc't of Bland Boys, was \$104 00 of which amount only \$52 00 was realized.

D. S. GILCHRIST,
Town Treasurer.

FIREWARDS' REPORT.

The board of Fire Engineers for the town of Franklin, for the year 1874-75, would furnish the following report :

The Fire Apparatus will be found substantially as last year, no new apparatus having been purchased during the year with exception of a pump and tank for oiling hose, with which a great saving can be made in time in oiling, and by applying tel oil to the inside of the hose does up business much more thoroughly. The engines, hose, &c., we find to have been kept in good order, and in condition for instant service at the slightest alarm.

RESERVOIRS.

In addition to the water supply there has been a new reservoir put in near J. J. Lewis' house, of the same general plan as the one put in last year, a three inch iron pipe connecting the two, so that all the water in both may be drawn from the lower reservoir. Something has also been done to provide a better supply for the reservoir near Republican bridge, and it is hoped that nothing else is needed in that particular. There has been a scarcity of water for the reservoir near the depot, and it has not been full a part of the time this winter. There will probably be water plenty there in the spring.

FIRES & ALARMS.

We have had but two alarms of fire during the year. The first on May 22d, in the dry house of Sleeper & Hancock. Loss small. Cause, supposed defect in stove pipe. The 2nd, on Nov. 17, in the dwelling house of Michael Dee. House and furniture burned. Loss 1,500. Insured. Cause unknown.

EXPENSES.

NEW RESERVOIR

Paid W. F. Thompson, lumber,	\$150 00
Lewis & Judkins, labor,	125 00
Geo. W. Stevens, teaming,	1 00

Geo. W. Sawyer, lanterns, &c,	25 20
C. L. Aiken, labor,	14 50
	<hr/>
	\$859 84

The citizens of Franklin may well congratulate themselves that no more damage has been done by fire within the last two or three years, considering the scarcity of water in some parts of the town. We are at any time in much danger should fire get under way. The town ought to own more hose, as much of it is old and not reliable to use where much strength is required. We have had some of it repaired and keep it ready in case we should be under the necessity of taking water from any of the force pumps where no other water could be had. All of which is respectfully submitted.

S. E. Bickford,
Walter Aiken,
D. R. Woodward,
Frank H. Aiken,
James O. Eddy,
J. F. Richardson,
O. B. Davis,
A. W. Sulloway.

Selectmen

of

Franklin.

The undersigned auditors for the year ending March 1, 1875, have carefully examined the foregoing accounts of the selectmen, and find the same to be correctly cast, and supported by proper vouchers.

STEPHEN KENRICK,

ISAAC N. BLODGETT.
